U.S. News & World Report 2023

The University of Alabama at Birmingham's opportunities for world-leading innovation, research and career development are more accessible than ever for undergraduate students from Egypt, who, in addition to other scholarship opportunities, qualify for a regional scholarship and progression scholarships up to a combined total of \$22,000.

A UAB undergraduate degree is a high value experience for students from around the world. Even as a hub of innovation, culture and industry, Birmingham is one of the most affordable cities in America. UAB graduates go on to successful careers in their industry of choice, employed at top US companies or even developing their own successful business ideas at UAB's iLab.

Achieve the highest ROI for your career with world-class opportunities for the best value.
