**How was your experience of studying at INTO City, University of London?**

“Although it was a difficult year due to the pandemic, INTO City still managed to provide students with high quality lessons. Throughout the year, I had full support from my teachers which motivated and helped me to overcome any academic challenges that came my way.”

***“The quality of the course and the journey it provides is outstanding. It is such a good experience to study with international students”***

**What was it like studying with international students?**

“The best thing about the course was the cultural diversity. Studying with international students, getting to know their past, their journey and experiences was a fantastic feeling. Without a doubt, I would recommend the course to every international student who would like to start studying in the UK.”
