WHY CHOOSE SLU FOR YOUR MBA?

ABOUT OUR MBA

The Chaifetz School's broad-based Professional MBA program, ranked in the top 100 nationally by *U.S. News & World Report* for 2023, prepares students to succeed in management roles through the development of strategic skills and knowledge in a range of functional business areas.

The Richard A. Chaifetz School of Business's highly regarded faculty regularly reviews and enhances the Professional MBA program curriculum to reflect the current demand in the work force for additional training in decision making and analytics.

Courses in communication, career development and coaching are offered in one credit hour Professional Effectiveness Modules. These modules will give you the strong ethical and leadership skills you need to succeed in the business world.

10 MBA SPECIALIZATIONS

In addition to the managerial core, students can focus elective coursework in one of 10 specialization areas including our nationally ranked specialty areas of international business (No. 8), entrepreneurship (No. 12), and supply chain management (No. 13) according to *U.S. News & World Report 2023*.
