

University Access Centre (UAC)
Dubai
United Arab Emirates

► **External UAC view** - UAC Dubai is located within Dubai Knowledge Park, which is just a short 30-minute drive from Dubai international airport, making this location the ideal regional hub for gulf operations. The Dubai Knowledge Park is the region's foremost academic hub for onshore delivery.

► **External UAC view** - In addition to being strategically located for regional recruitment activity, the office is an accessible resource for local agents, local overseas university staff, multinational business as well as students and parents interested to learn more about study abroad.

► **Internal UAC view, reception area** - IT savvy, modern and vibrant reception area with a bar table, working area for students, casual counselling area. The open interior allows students and educators to interact freely much like an education exhibition.

► **Internal UAC view, reception area** - The 93-inch display screen is on loop 24 hours a day showcasing our university partners. The reception area can be used for discussing study options with students, parents as well as delivering presentations and workshops.

► **Internal UAC view, reception area** - Clean lines, modern and stylish. The high-tables with hidden HDMI, LAN and power sockets provide an additional space to meet, work or do research on study abroad options.

► **Internal UAC view, reception area** - Wi-Fi enabled throughout, the reception area can be used for informal one-to-one counselling or group training. The centre has hot and cold drinking water for visitors and staff as well as student lockers to be used for periods of self-study or during testing.

► **Internal UAC view, lounge area** - With its large windows allowing for ample light, this area can be used for informal one-to-one counselling or group training. The centre's conference room can be seen here to the right.

► **Internal UAC view, lounge area** - Visitors are greeted by an air-conditioned, stylish, open space with plenty of room for both drop-in visitors as well as organised events and counselor training sessions.

► **Internal UAC view, hot desk area** - This space allows staff and international officers to work and collaborate. The open, well-lit area provides tables with hidden HDMI, LAN and power sockets preserve the clean-line look.

► **Internal UAC view, multifunction room** - The multifunction room can be used by university partners and other stakeholders for private presentations, seminars and workshops. It can also be used for academic delivery.

► **Internal UAC view, hot desk area** - With large desks and concealed storage the centre provides ample space for marketing collateral. Equipped with a smart screen TV that links to the centre internet and allows for seamless connectivity to laptops and other devices.

► **Video & conference room** - Situated behind the reception area, the conference room has space for up to six people. Fully equipped with a smart screen and HDMI/Airplay connectivity, this room can be used as a staff office or for online and offline meetings.

► **Interview room** - Soundproofed and with blinds to enable privacy, the centre's interview rooms can be used for meetings and interviews. On-brand colour scheme seen throughout the facility is clearly visible.

► **Multifunction interview & meeting room** - Complete with the latest AV equipment and wireless connectivity, this room allows staff and international officers to stay connected with colleagues worldwide.
