

University Access Centre (UAC)
Almaty
Kazakhstan

- **External UAC view** - Located in a modern, vibrant part of Almaty and convenient for hotels, universities and international schools. At just 25km from the international airport, the UAC is also an ideal regional recruitment hub.

- **External UAC view** - The UAC in Almaty is located close to the Mega Centre Mall generating footfall and visitor potential. In addition, upscale residential complexes and multiple study abroad agencies are within touching distance.

- **External UAC view** - The centre, found on the ground floor of a mixed retail and residential 17-storey building, has a superbly presented retail-esque front entrance to showcase the centre and attract students.

- **Internal UAC view, entrance** - The glass door exterior allows light to flow into, and out of the UAC highlighting the visual effects and branding. Lockers and a water dispenser for visitors are situated in this area.

- ▶ **Internal UAC view, kitchen & reception area** - The self-contained kitchen area provides a microwave and a fridge for staff to store and prepare food. The centre also provides a free-to-use coffee machine.

- ▶ **Internal UAC view, washrooms & reception area** - The centre has its own in-built, on brand, washrooms giving staff and visitors alike the convenience of a more comfortable atmosphere.

- **Internal UAC view, reception area** - The 93-inch display screen is on loop 24 hours a day showcasing our university partners. The reception area can be used for discussing study options with students, parents as well as delivering presentations and workshops.

- **Internal UAC view, reception area** - IT savvy, modern and vibrant. The unique UAC design and open interior allows students and educators to interact freely much like an education exhibition.

- ▶ **Internal UAC view, hot desk area - Internal UAC view, reception area** - Wi-Fi enabled throughout, the reception area can be used for informal one-to-one counselling or group training. The bathroom and kitchen are location behind the big screen.

- ▶ **Internal UAC view, hot desk area** - The open, well-lit area provides bar table seating. Hidden HDMI, LAN and power sockets preserve the clean-line look.

- ▶ **Internal UAC view, hot desk area** - The glass exterior allows natural light to flow into, and out of the UAC highlighting the visual effects and branding.

- ▶ **Internal UAC view, hot desk area** - the 6-person desk, as well as the surrounding meeting and interview rooms makes collaborative and individual work become easy.

- ▶ **Interview & meeting room** - Stylish yellow design theme is combined with a soft gray carpet and wall cladding. The room has storage space for brochures and other related materials. The room can also be used for meetings and student project work.

- ▶ **Interview & meeting rooms** - Spacious and soundproof, these rooms are approved for IELTS speaking tests with plenty of space for test takers, examiner and chaperone. The window facing the open UAC space is equipped with roller blinds to also enable privacy when needed.

- ▶ **Interview & meeting room** - With plenty of natural light and storage space this space is perfect for private meetings. Installed central heating, seen by the window and installed through the centre is crucial in the winter months.

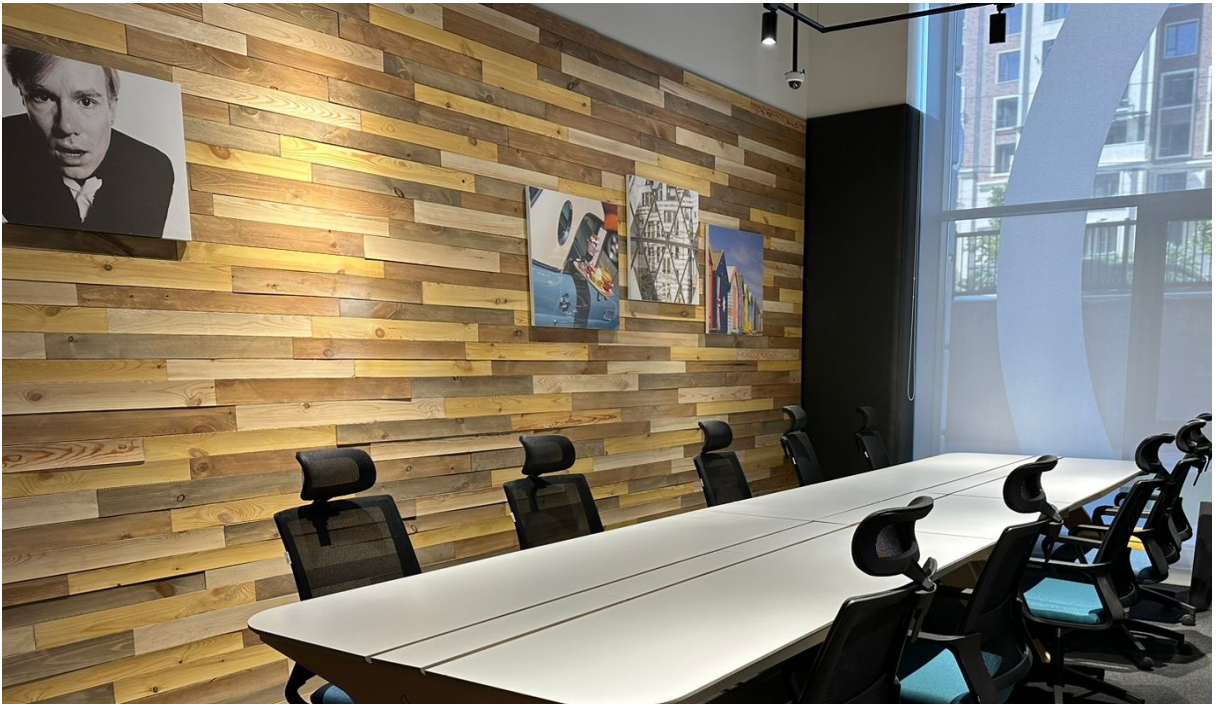

- ▶ **Interview & meeting rooms** - The two interview rooms that can be used for consultation sessions with students, parents and other stakeholders. It can also be used by university staff to liaise with their in-country international officers.

- ▶ **Multifunction room** - Located next to the University Access Centre entrance and accessed via the reception area, the multifunction room can be separated off as a space for teaching, conference calls and larger meetings.

- ▶ **Multifunction room** - Soundproof and equipped with multiple smart screens that link to the centre internet and allow for seamless connectivity to laptops and other devices.

- ▶ **Multifunction room** - 20 workstations with dedicated power outlets and LAN connections. Without desktop dividers, the room is a hot desk area, open for staff, university representatives and visitors.

- ▶ **Multifunction room** - With lots of natural light and smart screens with HDMI/AirPlay connectivity located on the front and back walls, this space is perfect for hosting larger interactive events.

- ▶ **Multifunction room** - With doors shut, blinds rolled down, dividers installed, and computers set up, the area becomes a dedicated Computer-Delivered IELTS (CDI) exam room.

- ▶ **Multifunction room** - The multifunction room with removable desktop dividers can accommodate 20 test takers at full capacity and can be used for a variety of secure examinations.

- ▶ **Conference room** - Accessed via the multifunction room, the conference room comes fully equipped with a smart screen TV, which comes with HDMI/AirPlay connectivity.

- ▶ **Conference room** - The conference room has space for up to six people. This room can be used as a staff office or for online and offline meetings.
